## Islands On The Air

Last weekends Islands On The Air Contest attracted quite a lot of activity from Echo India stations. Three groups travelled to activate islands and to do battle for the new IRTS IOTA Trophy kindly sponsored by Paul O'Kane EI5DI.

The Mayo Group used the callsign EJ5J from Clare Island and reports suggest that they had a very enjoyable outing. Those involved included Padraig EI5FWB, Gerry EI4GD, Padraig EI5IX, Dermot EI7IX and John EI7IQ, John EI7FAB, Joe EI3IX and Frances EI5J.

Sean EI4GK, Joe EI7GY, Declan EI9HQ and Mick EI6GF operated EJ4GK/P from the Aran Islands. They operated under canvas in a field day type set-up and report an improved score over previous years.

EJ7M was active from Bere Island, also with a field day set-up but had the advantage of a fine car ferry to get vehicles on to the site.

The crew there was Dave EI4BZ, Jerry EI6BT, Mannix EI5HB, Jim EI8GS, John EI8IR and Steve EI9HC.

The Dalkey Island Group decided to stay on the mainland this year and operated EI1DD from an elevated site near Enniskerry in County Wicklow. Operators here included Paul EI2CA, Paul EI5DI, Keith EI4FBB, Tony EI6EW, Danny EI8HD, Sean EI7CD, Aidan EI8CE and Peter EI7CC.

Amongst the single operators heard with good scores were Ken EI4DW, Martin EI8GP and John EI7GL.

The annual IOTA Honour Roll listings were published in the latest issue of Radcom, the journal of the Radio Society of Great Britain and two EI stations are listed. Peter Ball EI7CC is at number 99 with 768 conformed and Anthony O'Rourke EI2HY is at number 360 with 487.

Irish Amateur Radio Association for the Blind and Disabled.

Following the winding up of the City of Dublin Radio Club earlier this year, the surplus funds were passed to the Irish Radio Transmitters Society with a request that a donation be made to the Irish Amateur Radio Association for the Blind and Disabled.

Recently, a substantial cheque was presented to the IARABD by IRTS Treasurer Sean Donelan EI4GK.

On behalf of IARABD, Joe Dillon EI4FV wishes to thank members of the City of Dublin Radio Club for their generosity.

It is now ten years since IARU requested IRTS to participate in the Information Programme for Handicapped Amateurs. At that time, no group existed in Echo India and IRTS appointed Joe EI4FV as co-ordinator to get something organised.

Initially, theory classes were conducted at the Cheshire Home in Phoenix Park and after two years four members obtained licences. Next, classes were established at the Council for the Blind in Drumcondra and now classes are run at St. Joseph's School for visually impaired Boys at Gracepark Road in Drumcondra. A permanent station is now established at the school with the callsign EI5HAM and the group meets every Monday night.

The Group would like to hear from any amateur who could attend each Monday night from 2000 to 2130 to assist in the running of the club.

Since commencing theory classes, John EI6HL has assisted ten members obtain their licences and after the next session, it is hoped that a further six will be ready to sit the examination.

A more detailed report will appear in the next issue of Echo Ireland.
